Competition Law in Conversation: Digital Remedies

Join us for the launch of our **Competition Law in Conversation** series on 15 December 2020, when we discuss what remedies are appropriate in competition law cases in digital market contexts with Prof. Michal Gal (University of Haifa & President of ASCOLA) and Prof. Philip Marsden (Bank of England & College of Europe). Register [here](#)!

Blogpost: 'Open strategic autonomy'

Read about what consequences the principle of open strategic autonomy might have on the **geopoliticisation of EU competition law** in Klaudia Majcher's recent [blogpost](#).

Legal materials on comparative competition law

Always have your **legal materials** handy with the new collection of competition laws, including EU competition law, US antitrust law, Austrian and German competition law, as well as OECD materials. Available [here](#).

Our website

Find out about the **Research Group on Competition Law and Digitalization** at the WU Vienna on our new [website](#).
