# The most important and recent judgments of the CJEU

This book analyzes selected topics (e.g. the Charter of Fundamental Rights of the European Union and VAT, taxable base and rates, exemptions, and deductions) by examining the most prominent and recent judgments of the Court of Justice of the European Union.

Experts from all over the world, not just from academia but also government representatives and tax practitioners, have provided their input and helped us compile what is an informative and worthy read for anyone dealing with indirect taxation on a professional basis.
