

RECENT TAX TREATY DEVELOPMENTS AROUND THE GLOBE

The graduates of the Vienna LL.M. International Tax Law Program have spread out in all different parts of the world and deal with their tax systems and with international issues on a daily basis. They have gained enormous expertise and have accumulated much knowledge. Some of them were asked to share this on the occasion of the 10th anniversary of the LL.M. Program and to describe recent developments in the tax treaty practice of their countries. This book is the result of these efforts.
