

## CURRICULUM VITAE

### Barbara Haas

Orcid.org/0000-0003-3057-3267

#### Work Affiliation

Since 2012 **Senior Lecturer** at the Department Socioeconomics

**WU**  
*Vienna University of Economics and Business*  
Welthandelsplatz1, A-1020 Wien

Tel. +43 (0)1 31 336 DW 5876  
Fax. +43 (0)1 31 336 DW 905800  
E-mail: [barbara.haas@wu.ac.at](mailto:barbara.haas@wu.ac.at)  
[http://www.wu.ac.at/sozoek/mitarbeiter/barbara\\_haas](http://www.wu.ac.at/sozoek/mitarbeiter/barbara_haas)

#### Education

2011 *Vienna University of Economics and Business: Venia Docendi* in Sociology, Postdoctoral Lecture Qualification name of the "habilitation theses": "Paid work and childcare: A socio-economic approach developed on the basis of cross-national comparisons" unpublished cumulative theses.

1997-2000 *Doctoral studies* at the University of Vienna, Dr. phil. in Sociology, graded 'excellent'

1996-1998 *Postgraduate studies*: Institute for Advanced Studies Vienna, Sociology

1995 *Studies abroad*: Brock University (St. Catharines, Canada) literature research for the theses (scholarship of the University of Vienna) with a scholarship granted by the University of Vienna.

1990-1996 *Undergraduate studies* University of Vienna Degree of Master (Mag.rer.soc.oec.) in Sociology and French, both graded 'excellent'

1988-1990 College Wirtschaftsförderungsinstitut Salzburg (WIFI) Academy of Economy and Languages Degree 'Trading expert' (Außenhandelskauffrau)

1988 "Matura" (general qualification for university entrance) in grammar school in ST. Johann in Pongau, Austria

## Fields of Research and Teaching

- sociology of work (paid work, welfare and care)
- platform work (digitalisation and health)
- inequalities and life course studies (education and gender)
- social, family and labour market policies (welfare state comparisons)
- methods in empirical research (quantitative and qualitative methods, mixed methods)

## Funded Research Projects

Haas, B. and Bilger, M. (**Oktober 2021 - September 2023**): Precarious working conditions and health of crowdworkers? A mixed methods analysis of an online survey and qualitative interviews. (Prekäre Arbeitsbedingungen und Gesundheit von Crowdworker\*innen? Eine Mixed Methods Analyse einer Online-Umfrage und qualitativer Interviews) Project time: 10. 2021 – 09. 2023, amount: 150.849 Euro, funded by the Austrian Chamber of Labour, **Digitalisierungsfonds 4.0 der AK Wien**.

Haas, B. Member of the Research Network: **COST Action (2015-2019)**: Gender and health impacts of policies extending working life in western countries. Proposer of action (IS1409): Dr. Áine Ní Léime, Ireland, funded by the European Commission.

Haas, B. (**September 2012 - February 2015**): Changes in Household Employment Patterns and Social Impacts of the Economic Crisis? A cross-national comparison between Austria and Denmark in 2004 and 2010. Scientific researcher: Nadia Steiber; Adila Sahbegovic and Michaela Weiß, funded by the **Jubilee Fund of the Austrian National Bank in Vienna. Awarded as Top-Research Project 2012** of the Vienna University of Economics and Business.

Haas, B. (**January 2010 - December 2011**): leader of the WU team in the project Work-Care-Synergies (2010-2011): Dissemination of Research Results and Policy-Relevant Findings of a Number of FP4, FP5 and FP6 Projects with Overlapping Themes with the Aim to Integrate Findings in the Field of Work and Care, Family Policy, Female Equality and Empowerment, Social Quality, Flexicurity and Social Cohesion for Efficient Stakeholder and Policy Use”, Coordination and Support Actions, 7<sup>th</sup> Framework Programme, **European Commission. Awarded as Top-Research Project 2010** of the Vienna University of Economics and Business.

Haas, B. (**October 2008 - October 2010**): leader of the project: Care Policies and Female Employment Patterns in Austria as compared to the Netherlands and Sweden. A quantitative analysis of survey data. Scientific researcher: Dr. Nadia Steiber; funded by the **Jubilee Fund of the Austrian National Bank in Vienna. Awarded as Top-Research Project 2009** of the Vienna University of Economics and Business.

Haas, B. (**September 2008 - September 2009**): leader of the project: The Reconciliation of Paid Work and Care in Vienna, Kopenhagen and Warsaw. A Cross-National Comparison Drawing on Qualitative Interviews with Carers. Scientific researcher: Mag. Margit Hartel; funded by **the Jubilee Fund of Vienna** (“Jubiläumsfonds der Stadt Wien”).

Haas, B. (**July 2008 - June 2009**): Austrian Family Report for the Austrian Ministry of Families. Three parts: Families and time – chances for a new life course policy? Care policies and effects on female employment – an international comparison. Daily lives of parents with children – cross-national insights from qualitative interviews with mothers and fathers in seven European countries. Scientific researcher: Mag. Margit Hartel and Dr. Nadia Steiber; Project cooperation: the Institute for Advanced Studies, Vienna (Dr. Michaela Gstrein) and the Institute for Sociology and Social Research at the Vienna University of Economics and Business Administration; funded by the **Austrian Ministry of Families**.

## Funded Research Projects (continued)

Haas, B. (**October 2006 – October 2009**): leader of work package 4: “Orientations to work and care. Secondary data analysis to map the individual orientations to work and care across the EU-27.” Participating countries in this work package: Portugal (Prof. A. Torres) and Poland (Prof. R. Siemienka). Contributions to work package 5: “Qualitative interviews with households.” (leader: Prof. R. Trifiletti, Italy). Contributions to work package 6 „The role of flexible employment regimes in managing work and care“ (leader: Prof. Endre Sik, Hungary). Scientific researchers for Austria: Dr. Nadia Steiber and Mag. Margit Hartel. Work packages within the EU-project WORKCARE: “Social quality and the changing relationships between work, care and welfare in Europe“, [www.abdn.ac.uk/socsci/research/nec/workcare/](http://www.abdn.ac.uk/socsci/research/nec/workcare/) (leader: Prof. Claire Wallace, University of Aberdeen, UK). Specific Targeted Research or Innovation Project, 6<sup>th</sup> Framework Programme on Research, Technological Development and Demonstration, funded by the **European Commission. Awarded as Top-Research Project 2007** of the Vienna University of Economics and Business.

Haas, B. (**October 2006 – February 2007**): leader of the Austrian team: “Paper 4: Time-use over the Life-course.” (together with Prof. A. Torres, Portugal): in the Framework of the Project: „Monitoring quality of life in Europe. Further analysis of the EQLS as well as data from three recent and related Eurobarometer surveys and preparation of a series of four policy-relevant reports.” (leader: Prof. Claire Wallace, University of Aberdeen), funded by the **European Foundation for the Improvement of Living and Working Conditions in Dublin**.

Haas, B. (**August 2004 - October 2006**): leader of the project: “The relationship between home and work in eight European countries, a quantitative analysis”. Scientific researchers: Nadia Steiber and Margit Hartel; funded by the **Jubilee Fund of the Austrian National Bank in Vienna. Rewarded with the Dr. Heinz-Kienzl-Price 2006** for the project leader Barbara Haas.

Haas, B. (**2004**): Contributions to the project: “Work and flexibility in Europe. A comparative study on labour market flexibility in eight EU and candidate countries” (leader Claire Wallace and Anet Jager); research undertaken under commission of the European Union by Stoas Research and the Institute for Advanced Studies, Vienna. Data analysis of the Surveys “Households, Work and Flexibility Survey” (EU- 5<sup>th</sup> Framework Programme: „Households, Work and Flexibility“, leader: Prof. Claire Wallace), funded by **the Dutch Ministry of Social Affairs and Employment**.

Haas, B. (**2004**): Contributions to the project: “Homework and caretaking: strategies of reconciliation and conditions of employment in different family units. Gender, class and ethnic inequalities. A comparison between Austria, Germany, the United Kingdom and Spain” (leader Luzenir Caixeta), funded by the **EU ‘General Employment and Social Affairs’ by the European Commission**.
