Additional Information

In order to be awarded both degrees, the following requirements apply:

Program Schedule	Thesis
<p>All Double Degree Students will start their first year of the Double Degree Program at WU. After completing their first year at WU, all students will continue their studies for a second year at Tilburg.</p> <p>Second year at Tilburg: Students have to choose 6 elective courses. For a specialization in one of the available tracks, students need to choose at least 4 elective courses from one track and write their thesis about a track-related topic. Additionally, students have to choose 2 research skill modules. Further information can be found here: https://www.tilburguniversity.edu/education/masters-programmes/communication-and-information-sciences/program</p>	<p>Students are required to write a thesis during the second year of their studies. A joint thesis will be developed with the support of a supervisor at Tilburg and a supervisor at WU.</p> <p>The regular thesis procedures of the MSc Communication and Information Sciences at Tilburg and the MSc Business Communication at WU will be applied.</p> <p>Students have to submit their thesis at Tilburg and WU. The thesis will be approved and graded by both institutions individually.</p>
